

Louisville Triple Crown Team Challenge

Presented by Novo Nordisk

We are pleased to offer the Triple Crown Team Challenge presented by Novo Nordisk for the Louisville Triple Crown of Running Series. The Team Challenge is open to any 3 – 5 person team in three divisions: Male, Female, or Coed. Your team can choose to participate in any individual or all three Triple Crown races. There will be a Team Challenge Triple Crown Award for any team that wins all three races in their division. You will not only compete for team awards; each team member is also eligible for an individual time and awards! There is no additional fee to participate in the Team Challenge.

Rules

- Teams will consist of three (3) to five (5) members.
- Teams will compete in one of three divisions: Male, Female, or Coed. A Coed team must have at least one (1) female member.
- Each team member must be registered for the race. The team registration form only serves as a team roster.
- Teams must be registered by the deadlines for each race. Deadlines for each race are listed below. In order to be eligible for the Team Challenge Triple Crown Award, the same team members must run each race. **A team must win all three Triple Crown Team Challenges to win the Team Challenge Triple Crown Award for their division.**
- Each team must assign a team captain.
- Chip time will be used to determine finish times.
- At least three team members must finish the race to be eligible for a team result.
- The top team in each division will receive awards for each race.
- Participants can only compete for one team in one division.

Race Scoring

- Team results will be based on the combined finish times for the top three finishers on each team. For teams in the Coed division, at least one female member will be counted in the three finish times.
- The team with the fastest combined team time in each division will be crowned the Team Challenge Champions for that race.
- Awards will be given to the top team in each division.
